COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This communication accompanies the attached RCE in the above-referenced application. In the Advisory Action, the Examiner stated that claim 5 depended from claim 41. In the Amendment filed on July 17, 2002, the applicants had included a marked up version showing the amendments made (Appendix A) and a clean copy of all the pending claims after incorporation of the amendments (Appendix B). In both appendices, claim 5 depends from claim 1. However, claim 5, as shown on page 2 in the body of the amendment, depends from claim 41 and is a typographical error. The Examiner is respectfully requested to consider amendments shown in Appendix A and the pending claims as shown in Appendix B. However, the applicants will correct the typographical error if the Examiner believes further clarification is required.
